The Best Breakfast Places in America

03 of 51

June, 2015

Anzu — San Francisco, Calif.

If you've never had a Japanese breakfast, give yourself over to the *gohan* (rice with raw egg), sliced fish cakes, broiled salted salmon, pickles, spiced seaweed, and miso soup — a sane and fortifying idea for breakfast, as it turns out, particularly if you'll be climbing San Francisco's hills.

222 Mason Street; 415-394-1100, restaurantanzu.com
